Description

VAPOR Inflatable Stand up Paddleboard kit with all SUP accessories

Extra fast for its length, real stable and great tracking.

Stylish and durable, the 10ft 10in VAPOR Inflatable Paddleboard by Aqua Marina is perfect for learners, recreational paddlers, and small wave riders.

Made for ultimate comfort and stability, this user-friendly water sports equipment features a wide-style design that ensures an extra fast performance on any water surface.

Featuring an EVA deck design, the board has been rigged with a heat embossed honeycomb groove feature so paddlers can have maximum traction and stability.

The VAPOR SUP Kit comes equipped with a pump or 3-piece aluminum paddle, a D-ring tail, elastic bungee cords, and 3 pieces of fins all packed in a handy Magic backpack included in the set.

Ideal for riders up to 253lbs/115kg.
