The PE-270 is a multipurpose boat for 1 person, 2 person or 3 person boat for recreational boating & angling.

You'll love spending a week at the lake with one of these tough yet lightweight fishing boats from **OUTDECK**.

Fishing : 3 person Polyethylene Plastic Boat

The compact PE-270 is comfy for two people but can hold up to three anglers. Rigid boats made from industrial strength polyethylene are great for comfortably spending the entire day on the water.

Select from models of small fishing boats that include mounts for outboard motors and even a live well to keep your catch fresh. Enjoy fishing with your friends and family. Great for the beginner angler and the veteran fisherman alike.

This lightweight, affordable, fishing boat holds up to 3 people, is super stable and works great with small petrol outboard motor or battery operated **Electric Trolling Motors**.

Available in YELLOW and BLUE colours. **One pair of oar included.**
