Description

CHAMPION Inflatable Windsurf Stand-up Paddleboard SUP

The Aqua Marina iSUP CHAMPION is the next step forward into the world of wind driven water sport. An inflatable windsurfing SUP meant for all-around cruising and wave riding.

The 2.97 m (9 ft 9 in.) long Champion windsurf SUP is a stable, dependable, and highly versatile SUP for both windsurfing and stand-up paddling. It is an ideal choice for those seeking a compact and easily transportable wind and SUP board for the entire family to enjoy.

The short and wide design favors first time windsurfers and SUP users who desire stability and ease of maneuverability.

For stand-up paddling, the Champion is designed with a lower rocker and added thickness for directional stability and long glides. This makes it an ideal board for fun flat-water cruising and long board style windsurfing.

It is designed to be very user friendly, light weight and easy to assemble. It is super compact and ideal for transporting.

The Champion is everything you'll need to take your SUP board to the next level into the world of wind driven water sports.
